# SILICONE CUP SERIES

---

**SILICONE CUP WITH HANDLE**

Silicone Dinner Plate, super large smooth surface adsorption, placemat and plate combined into one

**PARENT-CHILD CUP**

Simple style, remove the edge of the placemat, add a suction cup at the bottom, suitable for large and small dining chairs, dining tables

**SILICONE SIPPY CUP**

Upgrade the cover to keep dust and fresh. With a silicone straw, it is convenient for babies to drink soup and porridge

**SILICONE SNACK CUP**

The multi-color design breaks the original monotony and is an ingenious upgrade idea to stimulate the baby's feeding.

livi\_loo\_loops Oh how our littles ones love to snack, but oh how us parents hate the crumbly, sticky mess they often leave behind!

Our no spills silicone snack pots are a practical, yet stylish way for your toddlers to enjoy their favourite snacks whilst keeping mess to a minimum.

These lightweight pots encourage
